Care of: Stephen Blau

Stephen Blau:

According to the Detailed Action you sent me, I have elected to choose "a. Species 1 (Tubular with slit, hook and loop retainer): Claims 1-5". Therefore, "b. Species 2 (Cylindrical sock-like, elastic band retainer): Claims 6-8" would be invalid at this point. Additionally the original claims 1-6 should stand as-is in this case.

I would also like to address the fact that this letter also addresses the petition for extension of time under CFR 1.136(a). I have recently moved from a previous address and did not receive the Detailed Action or any other notification in the specified one month time period. Therefore, I am requesting a 1 month extension of time under these circumstances and have enclosed the appropriate forms and payment.

Finally, a certificate of mailing has also been attached, certifying that these documents have all been mailed on, September 10, 2004, which is before the one month deadline.

Regards,

Mathew Frederick Heinecke
